Title:

PROBE CARD AND METHOD OF PRODUCING THE SAME

COMMENTS ON NOTICE OF ALLOWANCE

Applicant thanks the Examiner for the courtesies extended during the telephonic interview conducted after receipt of the Notice of Allowance. As discussed therein, claims 7-9 and 12-13, which were listed as canceled by Examiner's Amendment in the Notice of Allowance mailed May 24, 2004, were pending in this case as non-elected claims covered by an elected generic claim. Because the elected generic claims were found to be allowable, the non-elected claims should have been allowed rather than canceled. Accordingly, Applicant thanks the Examiner for issuing the Supplemental Notice mailed August 23, 2004, properly reflecting all allowed claims.

Respectfully submitted,
